SORBETS

1. Combine all ingredients, with the exception of purée, and bring to a boil.
2. Cover and let sit for 6 hours in refrigerator.
3. Combine mixture with the purée using a hand blender.
4. Place into ice cream machine. Freeze.
5. Serve inside a chocolate cup and decorate with Arte Piatto decorations.

PÂTE DE FRUITS

1. Whisk together sugar and pectin.
2. Simmer purée and add the sugar and pectin mixture.
3. Once boiling, add glucose.
4. Cook to temperature indicated in the chart.
5. Remove from heat and mix in tartaric (weinstein) acid solution. To make solution, mix 1 part tartaric acid with 1 part water. Bring to boil and use.
6. Pour into desired molds.
7. Allow to set at room temperature.
8. Unmold and roll in granulated sugar.

* Add Apricot Purée (583102) to round out and bring out the main flavor.
